

# Team Challenge Cup

The Team Challenge Cup is a series of team building activities that are fun, quick paced, challenging and thought provoking. Each activity includes custom debrief topics that are relevant to your business environment. The groups enjoy a sense of unity and camaraderie while progressing through activities that allow them to earn points. Points can be turned in for prizes or to determine the most successful team. This program can also be designed to reinforce other company initiatives or themes.

## Team Challenge Cup Activities Examples:

**Channels**– the group must create a delivery system capable of delivering maximum results.

**Up With Team Work**– success lies in the shift from individual focus to team focus.

**Hitting Your Numbers**– this activity encourages process improvement through greater teamwork.

**Team Juggle**– the groups must set goals and perfect juggling as a team. Talk about balancing priorities!

**Resource Madness**– the groups must innovate and think outside of the box to crack the solution to this activity.

**A-mazing Coaching**– team partners coach blind-folded partners through a maze.
