

Teem Golf

Team Building Event

A great team building event try **TEEM GOLF!** This event works well with golfers and non-golfers alike. Your large group is divided into "foursomes" (of 4-6 people, depending on group size). Each foursome is challenged to create and build a miniature golf course hole. All materials are provided and you can add your collateral or products for extra fun.

Agenda:

After building is completed the large group tours the course to determine the most creative hole and the most natural hole (most like a real golf course hole—this always hooks the golf junkies).

Next it is time to play a round. Teams compete for the best team score. Just for fun teams can also send their best player to the long distance putting championship.

Team Golf Includes:

All materials and supplies necessary to build really fun miniature golf holes:

- Putters and golf balls (of course!)
- 1 Pro (event leader)
- Caddies (event staff)
- Basic customization to your organizations needs

Teem Golf can be customized to meet a broad range of goals, themes or objectives—we like to have our creativity challenged. Typical programs range from 1 1/2 to 3 hours.
